Dear :

This replies to a letter dated May 22, 2001, submitted on behalf of Taxpayer, requesting that Taxpayer be granted an extension of time under Treas. Reg. § 301.9100-3 to file the agreement provided under § 1.1503-2(g)(2)(i) with respect to the dual consolidated losses incurred by Entity One in the tax years ended on Dates A and B, and by Entity Two in the tax year ended on Date B; and to file the annual certification required under § 1.1503-2(g)(2)(vi)(B) with respect to Entity One's dual consolidated loss incurred in the tax year ended on Date A. The information submitted for consideration is substantially as set forth below.

The ruling contained in this letter is predicated upon facts and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party. This office has not verified any of the material submitted in support of the request for a ruling. Verification of the factual information, representations, and other data may be required as a part of the audit process.

Individual A is the Tax Director of the Taxpayer. Individual B is a Tax Managing Director in the City Y office of CPA Firm. Individual C is a partner in the City Y office of CPA Firm. The affidavits of Individuals A, B and C, and the facts submitted describe the circumstances surrounding the failure to file the agreements and annual certification as required under § 1.1503-2(g)(2), which have not been discovered by the Service.

Treas. Reg. § 301.9100 -1(b) defines a regulatory election as an election whose due date is prescribed by a regulation, a revenue ruling, revenue procedure, notice, or announcement.

Treas. Reg. § 301.9100-1(c) provides that the Commissioner has discretion to grant a taxpayer a reasonable extension of time, under the rules set forth in § 301.9100-3, to make a regulatory election under all subtitles of the Internal Revenue Code except subtitles E, G, H, and I.

Treas. Reg. § 301.9100-3(a) provides that requests for relief subject to this section will be granted when the taxpayer provides the evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and the grant of relief will not prejudice the interests of the Government.

In the present situation, § 1.1503-2(g)(2) fixes the time to file an agreement and annual certification. Therefore, the Commissioner has discretionary authority under § 301.9100-1(c) to grant Taxpayer an extension of time, provided that Taxpayer satisfies the standards set forth in § 301.9100-3(a).

Based on the facts and circumstances of this case, we conclude that Taxpayer satisfies § 301.9100-3(a). Accordingly, Taxpayer is granted an extension of time until 30 days from the date of this ruling letter to file the agreement provided under § 1.1503-2(g)(2)(i) with respect to the dual consolidated losses incurred by Entity One in the tax years ended on Dates A and B, and by Entity Two in the tax year ended on Date B; and to file the annual certification required under § 1.1503-2(g)(2)(vi)(B) with respect to Entity One's dual consolidated loss incurred in the tax year ended on Date A.

The granting of an extension of time is not a determination that Taxpayer is otherwise eligible to file the agreements and annual certification. § 301.9100-1(a).

This ruling is directed only to the taxpayer who requested it. I.R.C. § 6110(k)(3) provides that it may not be used or cited as precedent.

A copy of this ruling letter should be associated with the agreements and annual certification
