Paperwork Reduction Act Notice.—We ask for the information on this form to carry out the Internal Revenue laws of the United States. You are required to give us the information. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is:

Recordkeeping	33 min.
Learning about the law or the form	18 min.
Preparing the form	59 min.
Copying, assembling, and sending the form to the IRS	20 min.

If you have comments concerning the accuracy of these time estimates or suggestions for making this form more simple, we would be happy to hear from you. You can write to both the IRS and the Office of Management and Budget at the addresses listed in the Instructions for Form 1040.

Purpose of Form.—If you were a citizen or resident of the United States and you had income from sources in the Virgin Islands or income effectively connected with the conduct of a trade or business in the Virgin Islands, you may owe tax to the Virgin Islands on that income. Your Virgin Islands tax liability is a percentage of your U.S. tax liability. Use Form 8689 to figure the amount of U.S. tax allocable to the Virgin Islands. **Do not** use this form if you were a bona fide resident of the Virgin Islands on the last day of the tax year.

Credit for U.S. Tax Allocable to the Virgin Islands.—You can take a credit on your U.S. return for the U.S. tax allocable to the Virgin Islands only if you paid the tax to the Virgin Islands. To take the credit, you **must** complete Form 8689 and attach it to your Form 1040. The credit is claimed on Form 1040, line 60.

Where To File.—You must file identical tax returns with the United States and the Virgin Islands. File your original Form 1040 (including Form 8689) with the Internal Revenue Service Center, Philadelphia, PA 19255.

File a copy of your Form 1040 (with copies of all attachments, forms, and schedules, including Form 8689) with the Virgin Islands Bureau of Internal Revenue, Lockhart Gardens No. 1-A, Charlotte Amalie, St. Thomas, Virgin Islands 00802. They will accept a copy of your U.S. return and process it as an original return.

If you file a joint return, file it in the jurisdiction required for the spouse who had the **higher** adjusted gross income for the tax year, determined without regard to community property laws.

Additional Information.—**Pub. 570**, Tax Guide for Individuals With Income From U.S. Possessions, has an example of how to complete Form 8689. You can get it from an IRS Distribution Center. See **How To Get Forms and Publications** in the Instructions for Form 1040.

Part I—Income From the Virgin Islands

Source of Income.—The rules for determining the source of income are discussed in detail in sections 861 through 865. Some general rules are:

- The source of wages, salaries, or tips is generally where the services are performed. If you worked both in and outside the Virgin Islands, include on line 1 only wages, salaries, or tips earned while you were in the Virgin Islands.
- The source of interest income is generally where the payer is located. For example, interest from a certificate of deposit issued by a Virgin Islands bank or a Virgin Islands branch of a U.S. bank is Virgin Islands source income.
- Generally, dividends are sourced where the paying corporation is incorporated.
- Taxable refunds, credits, or offsets of local Virgin Islands income taxes only include nonmirror code income taxes.
- Alimony received from a person who is a bona fide resident of the Virgin Islands is Virgin Islands source income.
- The source of income from the sale of nondepreciable personal property is the country of the seller's residence. There is a special rule, however, for U.S. citizens and resident aliens who sell personal property while maintaining a tax home abroad. Any gain from such sales may be treated as foreign source only if a tax of at least 10% of the gain is paid to a foreign country. Income from the sale of inventory is generally sourced where the title to the property passes.

The portion of gain from the sale of depreciable personal property used in a trade or business that reflects allowable depreciation deductions and gain (to the extent of amortization deductions) from the sale of intangible property, such as a patent, copyright, trademark, franchise, or similar property, is sourced where the original deductions of the property were sourced. For depreciable personal property, gain in excess of these depreciation deductions is sourced as if the property were inventory. For intangible property, gain in excess of amortization deductions is sourced under the general residence of the seller rule if the payments **are not** contingent on productivity, use, or disposition of the intangible property, and under the place of use rule for royalties if the payments **are** contingent. See section 865 for details.

- See section 863(c) for rules on determining the source of income attributable to transportation services that begin or end in the United States or a U.S. possession. See section 863(d) for rules on income from space or ocean activities.

Part of the following types of income derived from a U.S. owned foreign corporation that has income from U.S. sources may be required to be treated as U.S. source income.

- Foreign personal holding company income included in gross income.
- Subpart F income included in gross income.

- Interest.
- Dividends.

Part II—Adjustments to Income From the Virgin Islands

Lines 18a and 18b.—Enter the amount of your IRA deduction attributable to compensation or earned income (as defined in section 219(f)(1)) derived from the Virgin Islands. To figure this amount: **(a)** divide the total amount of Virgin Islands compensation or earned income by the total amount of your compensation or earned income, **(b)** multiply the amount of your IRA deduction by the result in (a). Use the same method to figure the amount of your spouse's IRA deduction to enter on line 18b.

Line 19.—Enter the amount of your self-employment tax deduction attributable to self-employment income earned in the Virgin Islands. To figure this amount: **(a)** divide the amount of Virgin Islands source self-employment income used to figure the deduction by the total self-employment income used to figure the deduction, **(b)** multiply the amount of your self-employment tax deduction by the result in (a).

Line 20.—Enter the amount of your self-employed health insurance deduction attributable to self-employment income earned in the Virgin Islands. To figure this amount: **(a)** divide the amount of Virgin Islands source self-employment income used to figure the deduction by the total self-employment income used to figure the deduction, **(b)** multiply the amount of your self-employed health insurance deduction by the result in (a).

Line 21.—Enter the amount of your Keogh retirement plan and self-employed SEP deduction attributable to self-employment income earned in the Virgin Islands. To figure this amount: **(a)** divide the amount of Virgin Islands source self-employment income by the total amount of your self-employment income, **(b)** multiply the total amount of your Keogh retirement plan and self-employed SEP deduction by the result in (a).

Line 22.—Enter the amount of penalties on early withdrawal of savings from accounts in Virgin Islands banks or Virgin Islands branches of U.S. banks. The Form 1099-INT or, if applicable, Form 1099-OID given to you by your bank will show the amount of any penalty you were charged because you withdrew funds from your time savings deposit before its maturity.

Part IV—Payments of Income Tax to the Virgin Islands

Note: Amounts overpaid to the United States will not be applied to the amount you owe to the Virgin Islands. Similarly, amounts overpaid to the Virgin Islands will not be applied to the amount you owe to the United States.

Penalty for Failure To Furnish Information.—If you fail to furnish the information we require, you may have to pay a penalty of \$100 for each failure, unless you can show your failure was due to reasonable cause and not willful neglect. This penalty is in addition to any criminal penalty provided by law.
