We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is 3 min. If you have comments concerning the accuracy of this time estimate or suggestions for making this form more simple, we would be happy to hear from you. You can write to both the Internal Revenue Service, Attention: Reports Clearance Officer, PC:FP, Washington, DC 20224; and the Office of Management and Budget, Paperwork Reduction Project (1545-0257), Washington, DC 20503. DO NOT send this form to either of these offices. Instead, see the instructions on the back of this page.

**Purpose of Form.**—Use Form 8109-B deposit coupons to make tax deposits only in the following two situations:

**Income Taxes** (Form 1120, 990-C, 990-T, and 2438).—

To make a deposit for the current tax year for any quarter, darken **only** the 1st quarter box. Such deposits apply to estimated income tax payments.

**Example 1:** If your tax year ends on December 31, 1994, and a deposit for 1994 is being made between January 1 and December 31, 1994, darken the 1st quarter box.

**Example 2:** If your tax year ends on June 30, 1994, and a deposit for that fiscal year is being made between July 1, 1993 and June 30, 1994, darken the 1st quarter box.

To make a deposit for the prior tax year, darken **only** the 4th quarter box. Such deposits include the following:

- Deposits of balance due shown on the return (Forms 1120, 990-C, and 990-T (corporate filers), and Forms 990-PF and 990-T (trust filers)).
- Deposits of balance due shown on **Form 7004**, Application for Automatic Extension of Time To File Corporation Income Tax Return (be sure to darken the 1120, 990-C, or 990-T box as appropriate).
- Deposits of balance due (from Forms 990-T (trust filers) and 990-PF filers) shown on **Form 2758**, Application for Extension of Time To File Certain Excise, Income, Information, and Other Returns (be sure to darken the 990-PF or 990-T box as appropriate).
- Deposits of tax due shown on Form 2438 (darken the 1120 box).

**Example 1:** If your tax year ends on December 31, 1994, and a deposit for 1994 is being made after that date, darken the 4th quarter box.

**Example 2:** If your tax year ends on June 30, 1994, and a deposit for that fiscal year is being made after that date, darken the 4th quarter box.

**How To Ensure Your Deposit is Credited to the Correct Account.—**

1. Make sure your name and EIN are correct;
2. Prepare only one coupon for each type of tax deposit;
3. Darken only one box for the type of tax you are depositing; and
4. Darken only one box for the tax period for which you are making a deposit.

**Telephone number.**—A space is provided on the deposit coupon for you to enter your daytime telephone number. Our purpose for requesting it is to allow us to contact you if we have difficulty processing your deposit coupon.

**Miscellaneous.**—The IRS USE ONLY box is used during our processing to ensure proper crediting to your account. Do **not** darken this box when making a deposit.

**Note:** *DO NOT deposit delinquent taxes assessed by IRS. Pay those taxes directly to the IRS.*

**How To Make Deposits.**—Mail or deliver the completed coupon with the appropriate payment for the amount of the deposit to a qualified depository for Federal taxes or to the Federal Reserve bank (FRB) servicing your geographic area. Make checks or money orders payable to that depository or FRB. Federal agencies deposit at FRBs only. To help ensure proper crediting of your account, include your EIN, the type of tax (e.g., Form 940), and the tax period to which the payment applies on your check or money order.

**Deposits at Depositories.**—Authorized depositories are required to accept cash, postal money orders drawn to the order of the depository, or checks or drafts drawn on and to the order of the depository. If you want to make a tax deposit with a depository by a check drawn on another financial institution, you may do so only if the depository is willing to accept that payment as a deposit of Federal taxes.

**Deposits at FRBs.**—If you want to make a deposit at an FRB, you must make that deposit with the FRB servicing your area with a check or payment for which immediate credit is given according to the funds availability schedule of the receiving FRB. A personal check is not an immediate credit item. The FRB servicing your area can provide information regarding what are considered immediate credit items.

**Timeliness of Deposits.**—The IRS determines whether deposits are on time by the date they are received by an authorized depository or collected by an FRB. However, a deposit received by the authorized depository or FRB after the deposit due date will be considered timely if the taxpayer establishes that it was mailed in the United States on or before the second day before the due date.

**Note:** *If you are required to deposit any taxes more than once a month, any deposit of \$20,000 or more must be made by its due date to be timely.*

**When To Make Deposits.**—Instructions are provided in IRS publications and tax returns. Copies of these documents and other information concerning tax procedures can be obtained from most IRS offices.

**Penalties.**—You may be charged a penalty for not making deposits when due or in sufficient amounts, unless you have reasonable cause. This penalty may also apply if you mail or deliver Federal tax deposits to IRS offices, rather than to authorized depositories or FRBs. Additionally, **a trust fund recovery penalty may apply to any responsible person who willfully fails to collect, account for, and pay over trust fund taxes. For more information on penalties, see Circular E, Employer's Tax Guide.**
