* Contact your state unemployment insurance office for credit reduction state information.

** If you need to file Form 940, you can get the form by calling 1-800-829-3676 (1-800-TAX-FORM).

Note: Do not file Form 940-EZ if you have already filed Form 940 for 1995.

General Instructions

Purpose of Form.—Use this form to report your annual Federal Unemployment Tax Act (FUTA) tax. FUTA tax, together with state unemployment systems, provides for payments of unemployment compensation to workers who have lost their jobs. Most employers pay both Federal and state unemployment taxes. **Only the employer pays this tax.** The tax applies to the first \$7,000 you pay

each employee in a year. The \$7,000 amount is the Federal wage base. Your state wage base may be different.

When To File.—Form 940-EZ for 1995 is due by January 31, 1996. However, if you deposited all FUTA tax when due, you may file on or before February 12, 1996.

Who Must File.—The **General Rule (household and agricultural employers see below)** states you must file if either of the following tests applies:

1. You paid wages of \$1,500 or more in any calendar quarter in 1994 or 1995; or
2. You had at least one employee for some part of a day in any 20 different weeks in 1994 or 1995.

Count all regular, temporary, and part-time employees. A partnership should not count its partners. If a business changes hands during the year, each employer meeting test 1 or 2 must file. Do not report wages paid by the other.

Household Employers.—File a FUTA tax return **ONLY** if you paid cash wages of \$1,000 or more in any calendar quarter in 1994 or 1995 for household work in a private home, local college club, or a local chapter of a college fraternity or sorority. Individuals, estates, and trusts that owe FUTA tax for domestic service in a private home, in most cases must file **Schedule H (Form 1040)**, Household Employment Taxes, instead of Form 940 or 940-EZ. See the Instructions for Schedule H. In some cases, such as when you employ both household employees and other employees, you may have the option to report social security, Medicare, and withheld Federal income taxes for your household employee(s) on **Form 941**, Employer's Quarterly Federal Tax Return, or **Form 943**, Employer's Annual Tax Return for Agricultural Employees, instead of on Schedule H. If you choose to report on Form 941 or Form 943, you must use Form 940 or Form 940-EZ to report FUTA taxes.

Agricultural Employers.—File a FUTA tax return if either of the following tests applies:

1. You paid cash wages of \$20,000 or more to farmworkers during any calendar quarter in 1994 or 1995; or
2. You employed 10 or more farmworkers during some part of a day (whether or not at the same time) for at least 1 day during any 20 different weeks in 1994 or 1995.

Count aliens admitted on a temporary basis to the United States to perform farmwork, also known as workers with "H-2(a)" visas, to see if you meet either test. Wages paid to these aliens are subject to FUTA tax after 1994.

Nonprofit Organizations.—Religious, educational, charitable, etc., organizations described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) are not subject to FUTA tax and are not required to file.

Form **940-EZ** (1995)

Completing Form 940-EZ.—If your FUTA tax for 1995 (line 6) is \$100 or less, complete only Part I of the form. If your FUTA tax is over \$100, complete Parts I and II. See the instructions for Part II for information on FUTA tax deposits.

Not Liable for FUTA Tax?—If you receive Form 940-EZ and are not liable for FUTA tax for 1995, write "Not Liable" across the front of the form, sign the return, and return it to the IRS.

Note: *If you will not have to file returns in the future, check the box on the line below B(2), complete and sign the return.*

Employer's Name, Address, and Identification Number.—If you are not using a preaddressed Form 940-EZ, type or print your name, trade name, address, and employer identification number (EIN) on Form 940-EZ.

See **Circular E**, Employer's Tax Guide, for details on how to make tax deposits, file a return, etc., if these are due before you get your EIN.

Identifying Your Payments.—When you pay any amount you owe to the IRS (line 8) or make Federal tax deposits, write the following on your check or money order: your EIN, "Form 940-EZ," and the tax period to which the payment applies. This helps us credit your account properly.

Penalties and Interest.—Avoid penalties and interest by making tax deposits when due, filing a correct return, and paying all taxes

when due. There are penalties for late deposits and late filing unless you can show reasonable cause. If you file late, attach an explanation to the return.

There are also penalties for willful failure to pay tax, keep records, make returns, and for filing false or fraudulent returns.

Credit for Contributions Paid Into State Funds.—You get a credit for amounts you pay to a state (including Puerto Rico) unemployment fund by January 31. This credit is reflected in the FUTA tax rate (.008) on line 6. The rate is effective through 1998.

"Contributions" are payments that a state requires you, as an employer, to make to its unemployment fund for the payment of unemployment benefits. However, contributions do not include:

- Any payments deducted or deductible from your employees' pay.
- Penalties, interest, or special administrative taxes not included in the contribution rate the state assigned to you.
- Voluntary contributions you paid to get a lower assigned rate.

Note: *Be sure to enter your state reporting number on line B(2) at the top of the form. We need this to verify your state contributions.*

Credit for Successor Employers.—If you are claiming credit as a successor employer, you must use Form 940.

(Instructions continued on next page.)

Where To File.—In the list below, find the state where your legal residence, principal place of business, office, or agency is located. Send your return to the **Internal Revenue Service** at the address listed for your location. No street address is needed.

Amended Returns.—Use a new Form 940-EZ to amend a previously filed Form 940-EZ. Check the Amended Return box above Part I, enter the amounts that should have been on the original return, and sign the amended return. Attach an explanation of the reasons for amending the original return.

If you were required to file Form 940 but filed Form 940-EZ instead, file the amended return on Form 940. See Form 940 and its instructions.

Specific Instructions

You must complete lines A and B and Part I. If your FUTA tax (line 6) is over \$100, you must also complete Part II. Please remember to sign the return.

Line A.—Enter the amount of state unemployment contributions. If your state has given you a 0% experience rate, so there are no required contributions, enter "0% rate" in the space.

Part I. Taxable Wages and FUTA Tax

Line 1—Total payments.—Enter the total payments you made to employees during the calendar year, even if they are not taxable for FUTA tax. Include salaries, wages, commissions, fees, bonuses,

vacation allowances, amounts paid to temporary or part-time employees, and the value of goods, lodging, food, clothing, noncash fringe benefits, and contributions to a 401(k) pension plan. Also, include the amount of tips reported to you in writing by your employees. Enter the amount before any deductions.

How you make the payments is not important to determine if they are wages. Thus, you may pay wages for piecework or as a percentage of profits. You may pay wages hourly, daily, weekly, monthly, or yearly. You may pay wages in cash or some other way, such as goods, lodging, food, or clothing. For items other than cash, use the fair market value when paid.

Line 2—Exempt payments.—For FUTA purposes "wages" and "employment" do not include every payment and every kind of service an employee may perform. In general, payments that are not wages and payments for services that are not employment are not subject to tax. Enter payments such as the following on line 2.

1. Agricultural labor if you did not meet either test in **Agricultural Employers** on page 2.
2. Benefit payments for sickness or injury under a worker's compensation law.
3. Household service if you did not pay cash wages of \$1,000 or more in any calendar quarter in 1994 or 1995, and you included the amount on line 1.
4. Certain family employment.
5. Certain fishing activities.
6. Noncash payments for farmwork or household services in a private home that are included on line 1. Only cash wages to these workers are taxable.
7. Value of certain meals and lodging.
8. Cost of group-term life insurance.
9. Payments attributable to the employee's contributions to a sick-pay plan.
10. Benefits excludable under a section 125 plan (cafeteria plan).
11. Any other exempt service or pay.

For more information, see Special Rules for Various Types of Services and Products in Circular E.

Line 3—Enter the total amounts over \$7,000 you paid each employee. For example, if you have 10 employees and paid each \$8,000 during the year, enter \$80,000 on line 1 and \$10,000 on line 3. The \$10,000 is the amount over \$7,000 paid to each employee. Do not include any exempt payments from line 2 in figuring the \$7,000.

Part II. Record of Quarterly Federal Unemployment Tax Liability

Complete this part only if your FUTA tax on line 6 is over \$100. To figure your FUTA tax liability, multiply by .008 that part of the first \$7,000 of each employee's annual wages you paid during the quarter. Enter the result in the space for that quarter.

Your total liability must equal your total tax. If not, you may be charged a failure to deposit penalty.

Record your liability based on when you pay the wages, not on when you deposit the tax. For example, if you pay wages on March 29, your FUTA tax liability on those wages is \$200, and you deposit the \$200 by April 30, you would record that \$200 in the first quarter, not the second.

Depositing FUTA Taxes.—Generally, FUTA taxes are deposited quarterly. If you deposited the right amounts, following these rules, the amount you owe with Form 940-EZ will never be over \$100.

Using **Form 8109**, Federal Tax Deposit Coupon, deposit FUTA tax in an authorized financial institution or the Federal Reserve bank for your area. Records of your deposits will be sent to the IRS for crediting to your business accounts.

If your liability for any of the first three quarters of 1995 (plus any undeposited amount of \$100 or less from any earlier quarter) is over \$100, deposit it by the last day of the month after the end of the quarter. If it is \$100 or less, carry it to the next quarter; a deposit is not required. If your liability for the fourth quarter (plus any undeposited amount from any earlier quarter) is over \$100, deposit the entire amount by January 31, 1996. If it is \$100 or less, you can either make a deposit or pay it with your Form 940-EZ by January 31.

Note: *The total amount of all deposits must be shown on line 7.*
