- 1 Any branch profits tax due (relating to the complete termination described in **item A** above, or the section 381(a) transaction described in **item B** above) on any income tax return made by or for the above taxpayer for the tax year ended _____, 19____, may be assessed at any time on or before _____, 19____ (expiration date).
Note: You must consent to extend the time to assess the tax to a date not earlier than the close of the 6th tax year following the tax year during which the complete termination or section 381(a) transaction occurred.
- 2 This consent establishes an extended period for assessing the branch profits tax. The expiration of the extended period may be suspended or otherwise affected by the operation of law in the same manner as the original period. For example, if a notice of deficiency in tax covered by this consent is issued, the period for assessing tax will not end prior to the end of the suspension period provided for by section 6503(a), plus any time that remains in the assessment period, as extended, at the time the suspension takes effect. Under no circumstances will this consent reduce the period of time otherwise provided by law for making an assessment.
- 3 The consenting taxpayer may file a claim for credit or refund for the tax assessed because of this consent within 6 months after the period ends for assessing tax established by this consent.
- 4 Any deficiency assessment covered by this consent will be limited to any branch profits tax due relating to the complete termination described in **item A** above or the section 381(a) transaction described in **item B** above, including any consequential changes to other items based on that adjustment.
- 5 Complete only for domestic transferee corporations filing Form 8848 under **item B** above.
Note: Completing this item satisfies the requirement to attach Form 2045 outlined in Regulations section 1.884-2(c)(2)(iii).
 In consideration of the Commissioner of Internal Revenue not issuing a notice of deficiency to and making an assessment against the above-named foreign transferor, the undersigned, as transferee of assets received from the above-named foreign transferor, assumes and agrees to pay the amounts of any and all Federal income or profits taxes finally determined or adjudged as due and payable by such transferor for the tax years ended _____, to the extent of the liability at law or in equity as transferee within the meaning of section 6901 of the Internal Revenue Code and corresponding provisions of Internal Revenue laws.
 Further: The undersigned agrees, in the absence of prior written consent of the Commissioner of Internal Revenue, not to sell, transfer, or assign without adequate consideration, all or any substantial portion of its assets; and
 Further: The undersigned has, by resolution of its board of directors, been authorized to enter into this agreement and there is attached a copy of the minutes of its board of directors evidencing the authorization and that the terms of this agreement have been included in its corporate minutes.

Under penalties of perjury, I declare that I have examined this consent, including accompanying statements and schedules, and to the best of my knowledge and belief, it is true, correct, and complete.
