General Instructions

(Section references are to the Internal Revenue Code unless otherwise noted.)

Purpose of form. Use this form to report railroad retirement taxes imposed on compensation received by employee representatives.

Railroad retirement taxes. The Railroad Retirement Tax Act imposes two taxes on an employee representative. One is based on compensation and the other is based on work-hours.

Taxes based on compensation. These taxes are divided into Tier I and Tier II taxes. The amount of the compensation subject to each tax is different.

The Tier I tax rate for 1999 is 12.4%. It applies only to the first \$72,600 paid to you during 1999 for services performed as an employee representative. The Tier I Medicare tax is 2.9%. It applies to all compensation paid to you during 1999 for services performed as an employee representative.

The Tier II tax rate for 1999 is 14.75%. It applies only to the first \$53,700 paid to you during 1999 for services performed as an employee representative.

Tax based on work-hours. This supplemental annuity work-hour tax is 27 cents for each work-hour for which compensation is paid during the quarter. Employee representatives will be told by the Railroad Retirement Board the tax rate for each quarter before the quarter begins.

Who must file. As an employee representative, you must file Form CT-2 for the first quarter in which you are paid taxable compensation for services you performed as a representative. Continue filing returns for each quarter, even if you are not paid taxable compensation. When your taxable compensation payments stop completely, file a return marked "Final Return." Attach to the final return a statement giving the name of the person keeping your records and the address where they will be kept.

When to file. Due dates for filing Form CT-2 and paying the tax each quarter are as follows:

Quarter covered:	Due by:
January, February, March	June 1, 1999
April, May, June	August 31, 1999
July, August, September	November 30, 1999
October, November, December	February 29, 2000

If you will not receive taxable compensation in the future, send Form CT-2 marked "Final Return," as explained under **Who must file** above.

Where to file. Form CT-2 contains three copies. Send both the **ORIGINAL** and **DUPLICATE** to the Internal Revenue Service Center, Kansas City, MO 64999. Keep the **TAXPAYER'S COPY** for your records.

Penalties and interest. The law provides a penalty for late filing or late payment unless you can show reasonable cause for the delay. If you are unavoidably late in filing a return or paying the taxes, send an explanation with the return. Interest is charged on taxes paid late.

Records. You must keep records pertaining to employee representative taxes for at least 4 years after the taxes are due or were paid, whichever is later.

Definitions

1. Employee representative. An employee representative is:

(a) Any officer or official representative of a railway labor organization that is not an employer under section 3231(a) who (1) was in the service of an employer and (2) is authorized and designated to represent employees under the Railway Labor Act, and

(b) Any individual who is regularly assigned to or regularly employed by an employee representative as defined in (a) above in connection with the duties of the employee representative's office.

2. Compensation. Compensation means payment in money, or in something that may be used instead of money, for services performed as an employee representative. It does not include payments for medical or hospital expenses connected with disabilities. It also does not include payments made specifically for traveling or other bona fide and necessary expenses that meet the rules in the regulations under section 62. For purposes of Tier I taxes, compensation does **not** include sickness or accident disability payments received (a) under a worker's compensation law, (b) under section 2(a) of the Railroad Unemployment Insurance Act for days of sickness due to an on-the-job injury, (c) under the Railroad Retirement Act, or (d) more than 6 months after the month in which the employee representative last worked for the railway labor organization.

Compensation is considered paid when actually paid or when constructively paid. Constructively paid means that the pay (a) has been credited to the employee representative's account or set apart with no limit or condition on how or when the payment will be made and (b) is available to draw on at any time and to control.

3. Work-hours. For an explanation of work-hours, see the instructions for line 1 in the **Instructions for Form CT-1**.

Specific Instructions

Note: *If you perform services as both an employee representative and an employee and the total pay for these services is more than the applicable maximum, for lines 2 and 4 subtract the pay as an employee representative tax.*

Line 1. Multiply the work-hours for which compensation was paid to you by \$0.27.

Line 2. Multiply the compensation subject to Tier I tax by 12.4% (.124). This applies only to the first \$72,600 paid during 1999 for services you performed as an employee representative.

Line 3. Multiply the compensation subject to Tier I Medicare tax by 2.9% (.029). This applies to all compensation paid to you during 1999 for services performed as an employee representative.

Line 4. Multiply the compensation subject to Tier II tax by 14.75% (.1475). This applies only to the first \$53,700 paid to you during 1999 for services performed as an employee representative.
