# Instructions for Form 5500-EZ

## Annual Return of One-Participant (Owners and Their Spouses) Retirement Plan

Section references are to the Internal Revenue Code.

### Changes To Note for 1999

- The Form 5500-EZ has been revised to take advantage of a new computerized system that will process the form (the ERISA Filing Acceptance System or "EFAST"). The new form is printed on special paper with green drop-out ink. Filers should not substitute a reproduction of these machine readable pages. A copy of the hand printed form is available in **Package 5500-EZ**.
- For the first time you will file your Form 5500-EZ with the U.S. Department of Labor's Pension and Welfare Benefits Administration (**PWBA**) rather than the Internal Revenue Service (see **Where To File** on page 2 for the new mailing and private delivery addresses).

### General Instructions

#### Reminder

For 1994 and prior years, one-participant plan(s) that held \$100,000 or less in total plan assets at the end of any plan year did not have to file Form 5500-EZ (or any other annual information return) for that plan year. For Forms 5500-EZ filed in 1995 and later years, one-participant plans that held more than \$100,000 at the end of any plan year beginning on or after January 1, 1994, must file a Form 5500-EZ for the year the assets exceeded \$100,000 and for each year thereafter, even if total plan assets were reduced to \$100,000 or less. For example, if plan assets in a plan that otherwise satisfies the requirements for filing the Form 5500-EZ totaled \$110,000 at the end of the 1998 plan year, and a distribution occurred in 1999 so that total plan assets were \$85,000 at the end of the 1999 plan year, a Form 5500-EZ must be filed for the 1999 plan year and for all following years.

### Purpose of Form

Form 5500-EZ is a simpler form that you can use if you have a one-participant retirement plan and you meet the five conditions listed under **Who May File Form 5500-EZ**. If you do not meet the five conditions, see **Form 5500**, Return/Report of Employee Benefit Plan, for reporting requirements.

Retirement plans can be either defined contribution plans (which include profit-sharing plans, money purchase pension plans, stock bonus plans, and employee stock ownership plans (ESOPs)) or defined benefit pension plans.

### Who May File Form 5500-EZ

You may file Form 5500-EZ instead of Form 5500 if you meet **ALL** of the following conditions:

1. The plan is a one-participant plan. This means that as of the 1st day of the plan year for which this form is filed, either:
  - a. The plan only covers you (or you and your spouse) and you (or you and your spouse) own the entire business. (The business may be incorporated or unincorporated); OR
  - b. The plan only covers one or more partners (or partner(s) and spouse(s)) in a business partnership.
2. The plan meets the minimum coverage requirements of section 410(b) without being combined with any other plan you may have that covers other employees of your business. See the instructions for line 14c for more information.
3. The plan does not provide benefits for anyone except you, or you and your spouse, or one or more partners and their spouses.
4. The plan does not cover a business that is a member of:
  - a. An affiliated service group,
  - b. A controlled group of corporations, or
  - c. A group of businesses under common control.
5. The plan does not cover a business that leases employees. For an explanation of the technical terms above, see **Definitions** on page 3.

If you do not meet all five of the conditions listed above, file Form 5500 instead of Form 5500-EZ. If you meet all five of the conditions, read **Who May Not Have To File**.

### Who May Not Have To File

You do not have to file Form 5500-EZ (or Form 5500) for 1999 if you meet the five conditions above, **AND**

You have a one-participant plan that had total plan assets of \$100,000 or less at the end of every plan year beginning on or after January 1, 1994, **OR**

You have two or more one-participant plans that together had total plan assets of \$100,000 or less at the end of every plan year beginning on or after January 1, 1994.

**Note:** All one-participant plans **must** file a Form 5500-EZ for their **final** plan year even if the total plan assets have always been less than \$100,000. The final plan year is the year in which distribution of all plan assets is completed. Check the "final return" box at the top of Form 5500-EZ if all assets under the

plan(s) (including insurance/annuity contracts) have been distributed to the participants and beneficiaries or distributed to another plan.

## What To File

One-participant retirement plans that are required to file should complete and file Form 5500-EZ for the first year that it is required to be filed and for every plan year thereafter.

## When To File

File the 1999 return for plan years that started in 1999. All required forms, schedules, statements, and attachments must be filed by the last day of the 7th calendar month after the end of the plan year that began in 1999 (not to exceed 12 months in length).

**Note:** If the filing due date falls on a Saturday, Sunday, or Federal holiday, the return may be filed on the next day that is not a Saturday, Sunday, or Federal holiday.

## Private Delivery Service

You can use certain private delivery services designated by the IRS to meet the "timely mailing as timely filing/paying" rule for tax returns and payments. The most recent list of designated private delivery services was published by the IRS in August 1999 and includes only the following:

- Airborne Express (Airborne): Overnight Air Express Service, Next Afternoon Service, Second Day Service.
- DHL Worldwide Express (DHL): DHL "Same Day" Service, DHL USA Overnight.

The private delivery service can tell you how to get written proof of the mailing date.

See **Where To File** for the street address, when using a private delivery service.

## Extension of Time To File

A one-time extension of time to file Form 5500-EZ (up to 2½ months) may be obtained by filing **Form 5558**, Application for Extension of Time To File Certain Employee Plan Returns, before the normal due date (not including any extensions) of the return. **You must continue to file Form 5558 with the IRS.**

Approved copies of the Form 5558 will not be returned to the filer. However, a photocopy of the extension request that was filed must be attached to the Form 5500-EZ.

The address for requesting a one-time extension of time to file the Form 5500-EZ (filing Form 5558) remains:

Internal Revenue Service Center  
Memphis, TN 37501

**Exception.** One-participant plans are automatically granted an extension of time to file Form 5500-EZ until the extended due date of the Federal income tax return of the employer (and are not required to file Form 5558) if all the following conditions are met: **(1)** the plan year and the employer's tax year are the same, **(2)** the employer has been granted an extension of time to file its Federal income tax return to a date later than the normal due date for filing the Form 5500-EZ, and **(3)** a copy of the application for extension of time to file the Federal income tax return is attached to the Form 5500-EZ. Be sure to check box B at the top of the form. An extension granted by using this exception CANNOT be extended further by filing a Form 5558 after the normal due date (without extension) of Form 5500-EZ.

## Short Plan Year

For a short plan year, file a return and all applicable schedules by the last day of the 7th month following the end of the short plan year. Modify the heading of the form to show the beginning

and ending dates of your short plan year and check box A(4) for a short plan year. If this is also the first or final return, check the appropriate box (box A(1) or A(3)).

See the instructions for Schedule P (Form 5500).

## Definitions

Organizations defined in **Affiliated Service Group or Controlled Group of Corporations and a Group of Trades or Businesses Under Common Control** must file Form 5500 rather than Form 5500-EZ.

### Affiliated Service Group

In general, two or more businesses may be an affiliated service group if: **(a)** one or more of the businesses (or the shareholders, officers, or highly compensated employees of one or more of the businesses) has an ownership interest in any of the other businesses, and **(b)** any of the businesses provide services to any of the other businesses (or the businesses are associated to provide services to third parties). If this applies to your business, read the rest of this definition for more details.

Section 414(m)(2) defines an affiliated service group as a group consisting of a service organization (referred to below as the "first service organization" (FSO)) and:

1. A service organization (A-ORG) that is a shareholder or partner in the FSO and that regularly performs services for the FSO or is regularly associated with the FSO in performing services for third persons, and/or
2. Any other organization (B-ORG) if:
  - a. A significant portion of the business of that organization consists of performing services for the FSO or A-ORG of a type historically performed by employees in the service field of the FSO or A-ORG, and
  - b. 10% or more of the interest of the B-ORG is held by persons who are officers, highly compensated employees, or owners of the FSO or A-ORG.

An affiliated service group also includes a group consisting of: **(a)** an organization whose principal business is performing management functions on a regular and continuous basis for another organization (or one organization and other related organizations), and **(b)** the organization (and related organizations) for which such functions are performed. See section 414(m)(5).

### Controlled Group of Corporations and a Group of Trades or Businesses under Common Control

These are corporations or unincorporated businesses in which there is common ownership by one or more individuals or persons. See sections 414(b) and 414(c).

### Leased Employee

Under section 414(n), a leased employee provides employee services for you that are performed under your primary direction and control, the individual provides services on a substantially full-time basis for at least a year, and the services are provided pursuant to an agreement between you and a leasing organization.

### Disqualified Person

Generally, a disqualified person in the case of a sole proprietorship or partnership includes you, your partners, your

relatives and your partner's relatives, and other businesses in which you, your partners, or the partnership have an interest. In the case of a corporation, another corporation in which your corporation has an interest may be a disqualified person.

Specifically, the term "disqualified person" means:

1. Any fiduciary (including, but not limited to, any administrator, officer, trustee, or custodian), or counsel;
2. A person providing services to the plan;
3. An employer any of whose employees are covered by the plan;
4. An employee organization any of whose members are covered by the plan;
5. An owner, direct or indirect, of 50% or more of: **(a)** the combined voting power of all classes of stock entitled to vote or the total value of shares of all classes of stock of a corporation, **(b)** the capital interest or the profits interest of a partnership, or **(c)** the beneficial interest of a trust or unincorporated enterprise, which is an employer or an employee organization described in paragraph 3 or 4;
6. A relative of any individual, described in paragraph 1, 2, 3, or 5;
7. A corporation, partnership, or trust or estate of which (or in which) 50% or more of: **(a)** the combined voting power of all classes of stock entitled to vote or the total value of shares of all classes of stock of such corporation, **(b)** the capital interest or profits interest of such partnership, or **(c)** the beneficial interest of such trust or estate is owned directly or indirectly, or held by persons described in paragraph 1, 2, 3, 4, or 5;
8. An officer, director (or an individual having power or responsibilities similar to those of officers or directors), or a 10% or more shareholder, directly or indirectly, of a person described in paragraph 3, 4, 5, or 7; or
9. A 10% or more (directly or indirectly in capital or profits) partner or joint venturer of a person described in paragraph 3, 4, 5, or 7.

## Specific Instructions

### Information at the Top of the Form

Check box A(1) if this is the first filing for this plan. Do not check this box if you have ever filed for this plan, even if it was a different form (e.g., Form 5500 or Form 5500-C/R).

Check box A(2) if you have already filed for the 1999 plan year and are now filing an amended return to correct errors and/or omissions on the previously filed return.

Check box A(3) if all assets under the plan(s) (including insurance/annuity contracts) have been distributed to the participants and beneficiaries or distributed to another plan. The final plan year is the year in which distribution of all plan assets is completed.

Check box A(4) if this form is filed for a period of less than 12 months. Show the dates at the top of the form.

**Line 1a.** Enter the formal name of the plan or sufficient information to identify the plan.

**Line 1b.** Enter the three-digit number the employer assigned to the plan. Plans should be numbered consecutively starting with 001.

Once a plan number is used for a plan, it must be used as the plan number for all future filings of returns for the plan, and this number may not be used for any other plan even after the plan is terminated.

**Line 1c.** Enter the date the plan first became effective.

**Line 2a.** Enter the employer's name and address. Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and the employer has a P.O. box, show the box number instead of the street address.

**Line 2b.** Enter the employer's nine-digit employer identification number (EIN). For example, 00-1234567. **Do Not Enter Your Social Security Number.**

Employers who do not have an EIN should apply for one on **Form SS-4**, Application for Employer Identification Number, as soon as possible. Form SS-4 can be obtained at most IRS or Social Security Administration (SSA) offices. The PWBA does NOT issue EINs.

You may also apply for an EIN before you are required to file Form 5500-EZ by filing a completed Form SS-4 with the IRS Service Center, Memphis, TN 37501. If you do not receive your EIN in time to enter it on the Form 5500-EZ you file, enter "Applied For" on line 2b.

**Note:** *Although EINs for funds (trusts or custodial accounts) associated with plans are generally not required to be furnished on the Form 5500 series returns/reports (except on Schedule P (Form 5500)), the IRS will issue EINs for such funds for other reporting purposes. EINs may be obtained by filing Form SS-4 as explained above.*

The plan administrator or employer should use the trust's EIN described in the **Note** above when opening a bank account or conducting other transactions for a plan that requires an EIN.

**Line 2d.** From the list of business activity codes on pages 6 through 8, enter the one that best describes the nature of your business.

**Line 3a.** Enter the name and address of the plan administrator unless the administrator is the employer identified in line 2a. If this is the case, enter the word "same" on line 3a and leave lines 3b and 3c blank.

**Line 3b.** Enter the plan administrator's nine-digit EIN. A plan administrator must have an EIN for Form 5500-EZ reporting purposes. If the plan administrator does not have an EIN, apply for one as explained in the instructions for line 2b.

**Line 4.** If the employer's name and/or EIN have changed since the last return was filed for this plan enter the employer's name, EIN, and the plan number as it appeared on the last return filed for this plan.

**Line 5.** If the person who prepared the annual return is not the employer named in line 2a or the plan administrator named in line 3a, you may identify the person on line 5.

**Line 6.** Check one box on this line. Profit-sharing, employee stock ownership (ESOP), stock bonus, and money purchase pension plans are types of defined contribution plans. A "defined contribution plan" is a plan that provides for an individual account for each participant and for benefits based solely on the amount in such account. If a plan is not a defined contribution plan, it is a defined benefit plan.

**Line 6a.** Any defined benefit pension plan subject to the minimum funding standards must complete and attach Schedule B (Form 5500) to this form. All defined benefit pension plans are subject to the minimum funding standards, except certain insurance contract plans described in section 412(i), church plans, governmental plans, and certain other plans described in section 412(h).

**Line 6b.** If this is a defined contribution plan for which a waived funding deficiency is being amortized in the current plan year, attach Schedule B (Form 5500) to this form. Complete only lines 3, 8a, 9, and 10 of Schedule B. An enrolled actuary does not have to sign the Schedule B under these circumstances.

**Line 7a.** If this plan is a master/prototype plan, enter the latest opinion letter number issued for the master/prototype plan. If this plan is a regional prototype plan, enter the latest notification letter number issued for the regional prototype plan. Leave line 7a blank if this plan is not a master/prototype plan or a regional prototype plan.

**Line 7b.** Check box **(1)** if you, or you and your spouse together, own 100% of the business which maintains the plan, and the business is unincorporated. Check box **(2)** if you are a partner in the partnership which maintains the plan. Check box **(3)** if you, or you and your spouse jointly, own 100% of the shares of the corporation which maintains the plan.

**Line 8b.** File a separate Form 5500-EZ for each plan if you have two or more one-participant plans with combined total plan assets that exceeded \$100,000 at the end of any plan year beginning on or after January 1, 1994.

**Line 9.** In general, distributions received by participants from any qualified plan prior to attainment of age 59½, death, or disability will be subject to a 10% tax on the amount of the distributions (in addition to the income tax owed on the amount distributed). In addition, individuals generally must begin to receive distributions from qualified plans by April 1 of the calendar year following the calendar year in which they reach age 70½.

For more details on early distributions and excess accumulations in qualified retirement plans, see **Pub. 560**, Retirement Plans for Small Business, and **Pub. 590**, Individual Retirement Arrangements (IRAs). In addition, **Form 5329**, Additional Taxes Attributable to Qualified Retirement Plans (Including IRAs), Annuities, and Modified Endowment Contracts, contains detailed information on how to report any excise tax or additional income tax in connection with your plan. These publications and the form can be downloaded at the IRS Web Site ([www.irs.gov](http://www.irs.gov)).

**Line 10.** Do not include transfers received or rollovers received from other plans on lines 10b and 10c. Those should be included on line 11a.

**Line 10b.** Enter the total cash contributions received by the plan during the year and the contributions owed to the plan at the end of the plan year including contributions for administrative expenses.

**Line 10d.** Enter the total plan distributions made to participants or beneficiaries (including those distributions that are rolled over, whether or not in a direct transfer under section 401(a)(31)). If distributions include securities or other property, include the current value of the securities or other property at the date these assets were distributed. For distributions of insurance or annuity contracts to participants, enter the cash value of the contract when distributed.

Also report on line 10d a participant loan that is included in line 11a, column (a) (total plan assets - beginning of year) and that has been deemed distributed during the plan year or any prior year under the provisions of Code section 72(p) and proposed IRS regulation section 1.72(p)-1 provided both of the following circumstances apply:

- Under the plan, the participant loan is treated as a directed investment solely of the participant's individual account; and
- As of the end of the plan year, the participant is not continuing repayment under the loan.

If either of these circumstances does not apply, a deemed distribution of a participant loan should not be reported on line 10d. Instead, the current value of the participant loan (including interest accruing thereon after the deemed distribution) should be included on line 11a, column (b) (plan assets - end of year) and on line 12e (participant loans), without regard to the occurrence of a deemed distribution.

**Note:** *Although certain participant loans that are deemed distributions are to be reported on line 10d and are not to be reported as an asset thereafter, they are still considered outstanding loans and are not treated as actual distributions for certain purposes. See Q&As 12 and 19 of proposed IRS regulation section 1.72(p)-1.*

**Line 10e.** Enter the total plan distributions made during the year attributable to employee contributions or other basis under the plan.

**Line 10f.** Enter the amount of assets transferred (under section 414(l)) from this plan to another plan, if any. Do not include rollovers or direct transfers under section 401(a)(31) included on line 10d.

**Line 10g.** Include rollovers, direct transfers under section 401(a)(31), transfers under section 414(l), and net income received by the plan for the year. Do not include unrealized gains or losses.

**Line 11a.** "Total plan assets" includes rollovers and transfers received from other plans, and unrealized gains and losses such as appreciation/depreciation in assets.

**Note:** *Do not include in column (b) a participant loan that has been deemed distributed if the loan has been reported on line 10d in accordance with the instructions for line 10d.*

**Line 11b.** Do not include the value of future distributions that will be made to participants.

**Line 12a.** Enter the value of the plan's participation in a partnership or joint venture.

**Line 12b.** The term "employer real property" means real property (and related personal property) that is leased to an employer of employees covered by the plan, or to an affiliate of such employer. For purposes of determining the time at which a plan acquires employer real property for purposes of this line, such property shall be deemed to be acquired by the plan on the date on which the plan acquires the property or on the date on which the lease to the employer (or affiliate) is entered into, whichever is later.

**Line 12d.** An employer security is any security issued by an employer (including affiliates) of employees covered by the plan. These may include common stocks, preferred stocks, bonds, zero coupon bonds, debentures, convertible debentures, notes and commercial paper.

**Line 12e.** Enter on this line all loans to participants including residential mortgage loans that are subject to section 72(p). Include the sum of the value of the unpaid principal balances, plus accrued but unpaid interest, if any, for participant loans made under an individual account plan with investment experience segregated for each account made in accordance with 29 CFR 2550.408b-1 and which are secured solely by a portion of the participant's vested accrued benefit. When applicable, combine this amount with the current value of any other participant loans.

**Note:** Do not include on line 12e a participant loan that has been deemed distributed if the loan has been reported on line 10d in accordance with the instructions for line 10d.

After a participant loan that has been deemed distributed is reported on line 10d, it is no longer to be reported as an asset unless the participant resumes repayment under the loan in a later year. However, such a loan (including interest accruing thereon after the deemed distribution) that has not been repaid is still considered outstanding for purposes of applying Code section 72(p)(2)(A) to determine the maximum amount of subsequent loans. The loan is also considered outstanding for other purposes, such as the qualification requirements of section 401(a), including, for example, the determination of top-heavy status under Code section 416. See Q&As 12 and 19 of proposed IRS regulation 1.72(p)-1.

**Line 12f.** Enter all loans made by the plan except participant loans reported on line 12e. These include loans for construction, securities loans, mortgage loans (either by making or participating in the loans directly or by purchasing loans originated by a third party), and other miscellaneous loans. Include on this line residential mortgage loans that are not subject to section 72(p).

**Line 12g.** Include all property that has concrete existence and is capable of being processed, such as goods, wares, merchandise, furniture, machines, equipment, animals, automobiles, etc. This includes collectibles, such as works of art, rugs, antiques, metals, gems, stamps, coins, alcoholic beverages, musical instruments, and historical objects (documents, clothes, etc.). Do not include the value of a plan's interest in property reported on lines 12a through 12f, or intangible property, such as patents, copyrights, goodwill, franchises, notes, mortgages, stocks, claims, interests, or other property that embodies intellectual or legal rights.

**Line 13.** Section 4975 prohibits certain transactions between a plan and any disqualified person and imposes an excise tax on each prohibited transaction.

The section 4975 tax is paid with the filing of **Form 5330**, Return of Excise Taxes Related to Employee Benefit Plans. References to disqualified person transactions refer to all such transactions, not only those that are prohibited.

See **Definitions** for the meaning of "disqualified person."

**Line 14b.** Count your spouse and your partners' spouses only if they work in the business and benefit under the plan.

**Line 14c.** Your plan meets the minimum coverage requirements of section 410(b), for purposes of Form 5500-EZ, if the employees of your business (other than those benefiting under the plan) are:

1. Covered by a collective-bargaining agreement, under which retirement benefits were subject to good-faith bargaining,
2. Nonresident aliens who receive no earned income from you that constitutes income from sources within the United States, or
3. Not eligible because they do not meet the plan's minimum age or years-of-service requirements.

**Note:** You cannot use Form 5500-EZ if you have employees covered by another plan and this one-participant plan relies on that plan to meet the minimum coverage requirements. Use Form 5500 instead.

**Line 15b.** A qualified joint and survivor annuity is an immediate annuity for the life of the participant, with a survivor annuity for the life of the spouse that is not less than 50% of, and is not greater than 100% of, the amount of the annuity that is payable during the joint lives of the participant and the spouse. The qualified joint and survivor annuity may be provided either by the purchase of an annuity contract from an insurance company or directly from the plan's trust. See section 417(b).
