A Change To Note

The Taxpayer Relief Act of 1997 amended Code section 6039D to include adoption assistance programs.

Purpose of Form

- File Schedule F (Form 5500) for the following fringe benefit plans:
A cafeteria plan described in Code section 125,
An educational assistance program described in Code section 127,
An adoption assistance program described in Code section 137.

Note: If an employer offers an adoption assistance program as a benefit under a cafeteria plan, file one Schedule F for the cafeteria plan. If one Schedule F is filed for both a Code section 125 plan and a Code section 137 plan, check both the 125 box and the 137 box. Do not file Schedule F for an educational assistance program that provides only job-related training, which is

deductible as an ordinary and necessary business expense under Code section 162.

Fringe benefit plans filing only to satisfy the requirements of Code section 6039D(a) must complete page 1, Form 5500 (or Form 5500-C/R), lines 1a through 5c, check box 6d, and attach Schedule F (Form 5500). Page 1 of Form 5500 (or Form 5500-C/R) and Schedule F are filed as the plan's annual information return. Do not file Schedule A, B, C, E, P, or SSA.

Employers filing the same Form 5500 (or Form 5500-C/R) for both a welfare benefit plan and a fringe benefit plan must complete all the welfare and fringe benefit plan questions on Form 5500 (or Form 5500-C/R), check box 6a and box 6d, and attach Schedule F (Form 5500).

Specific Instructions

Line 5. For reporting purposes under Code section 6039D, the term "employees participating in the plan" means any employee who, for a plan year, has had at least \$1 excluded from gross income by reason of any benefit offered under Code section 125 or Code section 127 or 137.

Line 6. The total cost of the fringe benefit plan includes:

- For a Code section 125 plan, the amount employees elect to have an employer contribute to provide for any benefit under the plan.
Administrative expenses including any legal, accounting, or consulting fees attributable to the plan whether paid directly by the employer or through the plan. Overhead expenses such as utilities and photocopying costs are not to be included for this reporting purpose.

Note: For a Code section 125 cafeteria plan, enter the amount of the salary reductions and other employer contributions. Other employer contributions include nonelective contributions and flexible credits. Nonelective contributions and flexible credits are the employer's portion of the cost or premium contributed as employer-provided coverage under a cafeteria plan arrangement. Do not subtract benefits paid out from the plan and amounts forfeited.

Line 7. Do not complete this line if the return/report is filed for both a welfare plan and a fringe benefit plan and both plans have terminated during this plan year. Enter the termination information on lines 9a and 9b of the applicable Form 5500 or Form 5500-C/R.
