Additional Information

Please follow the instructions in this publication when applying for a Certificate of Subordination of Federal Tax Lien.

The District Director has the authority to issue a certificate of subordination of a lien that is filed on any part of a taxpayer's property subject to the lien. The following sections and provisions of the Internal Revenue Code apply:

Section 6325(d)(1) — If you pay an amount equal to the lien or interest to which the certificate subordinates the lien of the United States.

Section 6325(d)(2) — If the District Director believes that issuance of the certificate will increase the amount the United States may realize, or the collection of the tax liability will then be easier. This applies to the property that the certificate is for or any other property subject to the lien.

1. No payment is required for the issuance of a certificate under **section 6325(d)(2)** of the Code. Payment is required for certificates issued under **section 6325(d)(1)**. However, do not send the payment with your application. The District Director will notify you after determining the amount due.

2. The District Director will have your application investigated to determine whether to issue the certificate, and will let you know the outcome.

3. A certificate of subordination under **section 6325(d)(1)** will be issued after approval and upon receipt of the amount determined to be the interest of the United States in the property under the Federal tax lien. Make remittances in cash, or by a certified, cashier's, or treasurer's check drawn on any bank or trust company incorporated under the laws of the United States or of any State or possession of the United States, or by United States postal, bank, express, or telegraph money order. (If you pay by uncertified personal check, issuance of the certificate of subordination will be delayed until the bank honors the check.)

4. In certain cases the District Director may require additional information such as written appraisals by disinterested third parties, a list of all the taxpayer's property, or other information needed to make a determination.
