Department of the Treasury - Internal Revenue Service

Instructions for Donor

Caution. *You must attach Copy B of Form 1098-C to your income tax return in order to take a deduction for the contribution of a qualified vehicle with a claimed value of more than \$500. If you do not attach this form to your return when required, the IRS will disallow your deduction. Generally, you also must attach Form 8283, Noncash Charitable Contributions, if the amount you deduct for all noncash gifts is more than \$500. See the instructions for Form 8283 for exceptions.*

You received Form 1098-C because you donated a motor vehicle, boat, or airplane ("donated vehicle") with a claimed value of more than \$500 to the charity shown on the front of this form. Generally, the charity must furnish this form to you no later than 30 days after the date it sold the donated vehicle (if box 4a is checked), or 30 days after the date of the contribution (if box 5a or 5b is checked). However, for a contribution you made before September 2, 2005, the charity is not required to furnish this form to you until the later of the time prescribed above or October 1, 2005. The deduction you may take on your income tax return is limited to the gross proceeds from the sale shown in box 4c, unless box 5a or 5b is checked. See Pub. 561, Determining the Value of Donated Property, for more information.

Box 1. Shows the date the charity received the donated vehicle.

Box 3. Shows the vehicle identification number (VIN) for a motor vehicle; the hull identification number for a boat; or the aircraft identification number of an airplane.

Box 4a. This box is required to be checked by the charity to certify that the donated vehicle was sold to an unrelated party in an arm's length transaction.

Box 4c. Shows the gross proceeds the charity received from the sale of the donated vehicle. If box 4a is checked, you generally may take a deduction equal to the smaller of the amount in box 4c or the vehicle's fair market value on the date of the contribution. However, if that value was more than your cost or other basis, see Pub. 561.

Box 5a. This box is required to be checked by the charity to certify that the donated vehicle will not be sold before completion of a significant intervening use or material improvement by the charity. If the box is checked, you generally may take a deduction equal to the vehicle's fair market value on the date of the contribution. However, if that value was more than your cost or other basis, see Pub. 561.

Box 5b. This box is required to be checked by the charity to certify that the donated vehicle is to be transferred to a needy individual in direct furtherance of the donee's charitable purpose of relieving the poor and distressed or underprivileged who are in need of a means of transportation. If this box is checked, you generally may take a deduction equal to the vehicle's fair market value on the date of the contribution. However, if that value was more than your cost or other basis, see Pub. 561.
