Toll-Free Telephone Assistance—Answers to Your Tax Questions

Calling the IRS

If you cannot answer your question by using one of the methods listed on pages 2 through 5, please call us for assistance at 1-800-829-1040. This service is available 24 hours a day, 7 days a week.

If you want to check on the status of your 2000 refund, See page 9 for the information.

Before You Call

IRS representatives care about the quality of the service we provide to you, our customer. You can help us provide accurate, complete answers to your questions by having the following information available.

- The tax form, schedule, or notice to which your question relates.
- The facts about your particular situation. The answer to the same question often varies from one taxpayer to another because of differences in their age, income, whether they can be claimed as a dependent, etc.
- The name of any IRS publication or other source of information that you used to look for the answer.

To maintain your account security, you may be asked for the following information, which you should also have available.

- Your social security number.
- The amount of refund and filing status shown on your tax return.
- The "Caller ID Number" shown at the top of any notice you received.
- Your personal identification number (PIN) if you have one.
- Your date of birth.
- The numbers in your street address.
- Your ZIP code.

If you are asking for an installment agreement to pay your tax, you will be asked for the highest amount you can pay each month and the date on which you can pay it.

Evaluation of Services Provided

The IRS uses several methods to evaluate the quality of this telephone service. One method is for a second IRS representative to sometimes listen in on or record telephone calls. Another is to ask some callers to complete a short survey at the end of the call.

Making the Call

Call **1-800-829-1040** (for TTY/TDD help, call 1-800-829-4059). If you have a pulse or rotary dial phone, stay on the line and one of our assisters will answer.

If you have a touch-tone phone, press **1** to enter our automated system. You can press the number for your topic as soon as you hear it. The system will direct you to the appropriate assistance. You may not need to speak to a representative to get your answer. You can do the following within the automated system.

- Order tax forms and publications.
- Find out the status of your refund or the current amount you owe.
- Determine if we have adjusted your account or received payments you made.
- Request a transcript of your account.

Before You Hang Up

If you do not fully understand the answer you receive, or you feel our representative may not fully understand your question, our representative needs to know this. He or she will be happy to take additional time to be sure your question is answered fully.

By law, you are responsible for paying your share of Federal income tax. If we should make an error in answering your question, you are still responsible for the payment of the correct tax. Should this occur, however, you will not be charged any penalty.
