

IRS e-file

3 quick, easy, smart
ways to get your taxes
where you want them
to be— **Done!**

Tax Professional

Authorized

Provider

Look for the Authorized
IRS *e-file* Provider sign or
visit our Partners Page at
www.irs.gov/efile for details.

Personal Computer

Free Internet filing
options may be available
through IRS FREE File or you can purchase
or download tax preparation software.

Visit www.irs.gov/efile for details.

TeleFile

Eligible taxpayers will
receive this package in
the mail. All you need is
a touch-tone phone and
10 minutes. Best of all—
it's absolutely FREE and paperless.

consider it done

IRS *e-file*

Fast Receive your tax refund in half the time, even faster and safer with Direct Deposit.

Easy Sign electronically, pay electronically, and file your Federal and state returns together.

Convenient You can *e-file* 24 hours a day, 7 days a week using your personal computer.

Accurate The computer does all the math. The error rate for *e-filed* returns is less than 1%.

Secure You get proof of receipt. And of course, IRS doesn't share taxpayer information with anyone nor have access to bank account or credit card numbers.

Electronic Payments *e-file* and pay in a single step with electronic funds withdrawal or pay by credit card.

For more information about IRS *e-file* payment options and benefits, visit www.irs.gov/efile.
