Tips about Tip Income for Employers and Employees

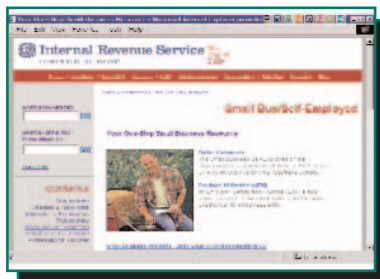

Tips on Tips: A Guide to Tip Income Reporting for Employers in Businesses Where Tip Income Is Customary
Publication 3144 (Catalog Number 26288G)

Do you know you can get a business tax credit for taxes you pay on certain employee tips? Do your employees know the benefits of reporting their tip income? This guide explains IRS programs to help you and your employees report tip income accurately and timely.

Tips on Tips: A Guide to Tip Income Reporting for Employers in the Food and Beverage Industry
Publication 1875 (Catalog Number 22212G)

Restaurants and bars have special tip issues so we made this pamphlet just for you. It includes all of the information in Publication 3144 (above) but with a special emphasis on the food and beverage industry.
