General Information

Who Must Register

Generally each money services business must register with the Department of the Treasury. This form must be used by a money services business (also referred to as an MSB) to register. However, not all MSBs are required to register. For example, if you are an MSB solely because you are an agent of another MSB, you are not required to register. The discussion below will help you determine whether or not you are an MSB that is required to register. For more information visit www.msb.gov.

The term money services business includes:

1. Currency dealers or exchangers who exchange more than \$1,000 for any one customer on any day.
2. Check cashers who cash checks totaling more than \$1,000 for any one customer on any day.
3. Issuers of traveler's checks, money orders or stored value who issue more than \$1,000 in traveler's checks, money orders or stored value for any one customer on any day.
4. Sellers of traveler's checks, money orders or stored value who sell more than \$1,000 in traveler's checks, money orders or stored value for any one customer on any day.
5. Redeemers of traveler's checks, money orders or stored value who redeem more than \$1,000 in traveler's checks, money orders or stored value for any one customer on any day.
6. Money transmitters.
7. U.S. Postal Service.

The following are not required to register:

1. A business that is an MSB solely because it serves as an agent of another MSB. For example, a supermarket corporation that sells money orders for an issuer of money orders is not required to register. This is true even if the supermarket corporation serves as an agent for two or more MSBs. However, an MSB that serves as an agent of another MSB and engages in MSB activities on its own behalf must register. For example, a supermarket corporation must register if, in addition to acting as an agent of the money order issuer, it provides check cashing or currency exchange services on its own behalf in an amount greater than \$1,000 for any one person on any day.
2. The United States Postal Service, any agency of the United States, of any state, or of any political subdivision of any state.
3. At this time, persons are not required to register to the extent that they issue, sell or redeem stored value. If, however, a money services business provides money services in addition to stored value, the provision of stored value services does not relieve it of the responsibility to register, if required, as a provider of those other services.

For the regulatory definition of "money services business" see 31 CFR 103.11(n) and (uu).

The following terms are used in the form and instructions to describe a money services business:

1. An "agent" is a separate business entity from the issuer that the issuer authorizes, through written agreement or otherwise, to sell its instruments or, in the case of funds transmission, to sell its send and receive transfer services. A person who is solely an employee of the MSB is not an agent of that MSB.
2. A "branch" is an owned location of either an issuer or agent at which financial services are sold. An MSB should not separately register each of its branches. A mobile operation owned by an MSB is a branch of that MSB. The MSB's headquarters is not a branch. If the MSB has only one location, that location is not a branch.
3. A "check casher" is a person engaged in the business of providing cash to persons in return for a check.
4. A "currency dealer or exchanger" is a person who engages in the physical exchange of currency for retail customers.
5. "Informal value transfer system". See explanation of the term money transmitter.
6. An "issuer" is the business that is ultimately responsible for payment of money orders or travelers checks as the drawer of such instruments, or a money transmitter that has the obligation to guarantee payment of a money transfer.
7. A "money transmitter" is a person that engages as a business in the transfer of funds through a financial institution.

Generally, acceptance and transmission of funds as an integral part of the execution and settlement of a transaction other than the funds transmission itself (for example, in connection with the bona fide sale of securities) will not cause a person to be a money transmitter.

An "informal value transfer system" is a kind of money transmitter. An informal value transfer system includes any person who engages as a business in an informal money transfer system or any network of people who engage as a business in facilitating the transfer of money domestically or internationally outside of the conventional financial institutions system.

8. A "person" is an individual, a corporation, a partnership, a trust or estate, a joint stock company, an association, a syndicate, joint venture, or other unincorporated organization or group, an Indian Tribe (as that term is defined in the Indian Gaming Regulatory Act), and all entities cognizable as legal personalities.
9. A "redeemer" is a business that accepts instruments in exchange for currency or other instruments for which it is not the issuer. You are not a redeemer if you take the instruments in exchange for goods or general services, provided that the amount of cash returned is not more than \$1,000 for any one customer on any day.
10. A "seller" is a business that issuers authorize, through written agreement or otherwise, to sell their instruments or their send and receive transfer services.

11. A "transaction account" is a deposit or account on which the depositor or account holder is permitted to make withdrawals by negotiable or transferable instrument, payment orders of withdrawal, telephone transfers, or other similar items for the purpose of making payments or transfers to third persons or others. Such terms include demand deposits, negotiable order of withdrawal accounts, savings deposit subject to automatic transfers, and share draft accounts. See 12 USC 461(b)(1)(c).

When to Register

Initial registration: File the form within 180 days after the date the business is established.

Renewal: Each MSB must renew its registration every two years, on or before December 31. See 31 CFR 103.41(b)(2). For example, if an MSB registered on October 15, 2003, it must file a renewal by December 31, 2004, and then every 24 months thereafter (on or before December 31, 2006, then December 31, 2008, etc.).

Correction: Use the form to correct a prior report. Complete Part I in its entirety and only those other entries that are being added or changed. Staple a copy of the prior report (or the acknowledgement from DCC if received) to the corrected report.

Re-registration: Refile a new registration form when one of the following events occurs:

1. a change in ownership requiring re-registration under state registration law;
2. more than 10 percent of voting power or equity interest is transferred (except certain publicly-traded companies) or;
3. the number of agents increases by more than 50 percent.

Part II Registrant Information

Item 3--Legal name of the money services business. Enter the full legal name of the registrant money services business as it is shown on the charter or other document creating the entity. For example, enter Good Hope Enterprises, Inc. when the money services business is Good Hope Enterprises, Inc., d.b.a Joe’s Check Cashing. If a sole proprietorship, enter the business name of the proprietorship.

Item 4-- Doing business as. If applicable, enter the separate doing business as name of the registrant. For example, enter d.b.a. Joe’s Check Cashing when the money services business is Good Hope Enterprises, Inc., d.b.a. Joe’s Check Cashing.

Items 5, 6, 7 and 8-- Address. Enter the permanent address of the registrant.

Item 9--EIN (entity), SSN/ITIN (individual). If the registrant is an entity enter its employer identification number (EIN). If the registrant is an individual and a U. S. Citizen or an alien with a social security number, enter his/her SSN. If the registrant is an individual who is an alien and has an individual taxpayer identification number, enter his/her ITIN. If a number has been applied for, but not yet received, leave item 9 blank. When the number is received file a corrected form.

Part III Owner or Controlling Person

General: Any person who owns or controls a money services business is responsible for registering the MSB. Only one registration form is required for any business in any registration period.

If more than one person owns or controls the business, they may enter into an agreement designating one of them to register the business. The designated owner or controlling person must complete Part III and provide the requested information. In addition, that person must sign and date the form as indicated in Part VII. Failure by the designated person to register the business does not relieve any other person who owns or controls the business of the liability for failure to register the business.

An “Owner or Controlling Person” includes the following:

<i>Registrant Business</i>	<i>Owner or Controlling Person</i>
Sole Proprietorship.....	the individual who owns the business
Partnership.....	a general partner
Trust.....	a trustee
Corporation.....	the largest single shareholder

If two or more persons own equal numbers of shares of a corporation, those persons may enter into an agreement as explained above that one of those persons may register the business.

If the owner or controlling person is a corporation, a duly authorized officer of the owner-corporation may execute the form on behalf of the owner-corporation.

Item 11--Individual’s last name, or organization’s name. If the registrant is a publicly held corporation, it is sufficient to write “public corporation” in item 11. Where registrant is a public corporation, a duly authorized officer of the registrant must execute the form in Part VII.

Items 12 to 21--Enter the applicable information for the owner or controlling person. Their home address and phone number should not be used, unless a business address and phone number are unavailable.

Item 22--Identification information. If you completed item 21, you may omit this item. If you did not complete item 21, enter separately the form of identification, the ID number, and the issuing state or country. Do not provide “other” identification unless no driver’s license/state ID, passport or alien registration number is available. “Other” identification includes any unexpired official identification that is issued by a governmental authority. If you check item 22 d, give a brief description of the “other” identification.

Part IV Money Services and Product Information

Item 23--States and/or territories where the registrant, its agents or branches are located.

Check the box(es) for any state, territory or district in which the money services business offers services through its branches and/or agents. If a service is offered on tribal lands, mark the box for the state, territory or district in which the tribal lands are located. If you checked either “All States” or “All States & Territories”, do not check any other states or territories.

Item 24--Enter the number of branches of the registrant. Enter the number of branches of the money services business at which one or more MSB activities are offered. If there are no branches, enter zero. See the General Information for an explanation of the term “branch”.

Item 25--MSB activities of the registrant. Items 25a through 25i are MSB activities. Check the box of each MSB activity conducted by the registrant at its branches. See the General Information for an explanation of the terms “issuer”, “seller”, “redeemer”, “check casher”, and “money transmitter”.

Item 26--Informal value transfer system. If any part of the registrant’s money services business is an informal value transfer system, check yes. An informal value transfer system is a kind of money transmitter. See the General Information explanation of the term “money transmitter”.

Item 27--Mobile operation. If any part of the registrant's money services business is conducted as a mobile operation, check yes. A mobile operation is one based in a vehicle. For example, a check cashing service offered from a truck is a mobile operation. For purposes of Item 24, each mobile operation should be counted as a separate branch.

Item 28--Number of agents. Enter the number of agents that the registrant has authorized to sell or distribute its MSB services. Do not count branches or any person who is solely an employee of the MSB. A bank is not an agent for this purpose. See the General Information for an explanation of the term "agent".

Part V Primary Transaction Account for MSB Activities

Item 29--Check the box if the registrant has more than one primary transaction account for money services business activities. Example: If the registrant is both an issuer of money orders and an issuer of traveler's checks and the registrant has separate clearing accounts for money orders and traveler's checks, the box should be checked.

Item 30--Name of the financial institution where the primary transaction account is held. Enter the name of the bank or other financial institution where the registrant has its primary transaction account. If you indicated that the registrant has more than one primary transaction account in Item 29, enter information about the account with the greatest money service activity transaction volume as measured by value in dollars. See the General Information for an explanation of the term "transaction account".

Items 31, 32, 33 and 34--Enter the permanent address for the financial institution.

Item 35--Primary transaction account number. Enter the primary transaction account number.

Part VI Location of Supporting Documentation

General: The registrant must retain for five (5) years certain information at a location within the United States. That information includes:

1. A copy of the registration form.
2. Annual estimate of the volume of the registrant's business in the coming year.
3. The following information regarding ownership or control of the business: the name and address of any shareholder holding more than 5% of the registrant's stock, any general partner, any trustee, and/or any director or officer of the business.
4. An agent list.

If the registrant has agents it must prepare and maintain a list of its agents. That agent list must be updated annually and retained by the business at the location in the United States reported on this registration form in Part II or Part VI. The agent list should not be filed with this registration form.

The agent list must include:

1. Each agent's name,
2. Each agent's address,
3. Each agent's telephone number,
4. The type of service(s) provided by each agent on behalf of the registrant,
5. A listing of the months in the immediately preceding 12 months in which the gross transaction amount of each agent with respect to financial products/services issued by the registrant exceeds \$100,000,
6. The name and address of any depository institution at which each agent maintains a transaction account for the money services business activities conducted by the agent on behalf of the registrant,
7. The year in which each agent first became an agent of the registrant, and
8. The number of branches or subagents of each agent.

Items 36, 37, 38 and 39--If the supporting documentation is retained at a location other than the address listed in Part II, enter the location information in items 35 through 38.

Part VII Authorized Signature

Items 40, 41, 42 and 43--The owner or controlling person listed in Part III must sign and date the form as indicated in Part VII. If the owner or controlling person is a corporation, a duly authorized officer of the corporation must execute the form on behalf of the corporation.

Penalties for failure to comply: Any person who fails to comply with the requirements to register, keep records, and/or maintain agent lists pursuant to 31 CFR 103.41 may be liable for civil penalties of up to \$5,000 for each violation. Failure to comply also may subject a person to criminal penalties, which may include imprisonment for up to five (5) years and criminal fines. See 18 USC 1960.

Note: Registration with the IRS Detroit Computing Center does not satisfy any state or local licensing or registration requirement.
