

**Notice 1036**

(Rev. December 2007)

**Early Release Copies of 2008 Income Tax Withholding and Advance Earned Income Credit Payment Tables**

Attached are early release copies of the tables that will appear in Publication 15 (Circular E), Employer’s Tax Guide (For use in 2008). Publication 15 will be mailed to employers and available at IRS offices in late December. The following tables will be effective for wages paid in 2008.

- Income tax withholding tables—percentage and wage bracket methods.
- Advance earned income credit payment tables—percentage and wage bracket methods.

Also, Publication 15 will be available on the IRS website in December.

**Percentage Method Income Tax Withholding Tables**

The wage amounts shown in the tables are net wages after the deduction for total withholding allowances. The withholding allowance amounts by payroll period have changed. For 2008, they are:

<b>Payroll Period</b>	<b>One Withholding Allowance</b>
Weekly . . . . .	\$ 67.31
Biweekly . . . . .	\$134.62
Semimonthly . . . . .	\$145.83
Monthly . . . . .	\$291.67
Quarterly . . . . .	\$875.00
Semiannually . . . . .	\$1,750.00
Annually . . . . .	\$3,500.00
Daily or Miscellaneous . . . . .	\$ 13.46

When employers use the percentage method tables, the tax for the pay period may be rounded to the nearest dollar. (If rounding is used, it must be used consistently.) Withheld tax amounts should be rounded to the nearest dollar by dropping amounts under 50 cents and increasing amounts from 50 to 99 cents to the next higher dollar. For example, \$2.30 becomes \$2 and \$2.80 becomes \$3.

**Wage Bracket Income Tax Withholding Tables**

The wage bracket tables are based on gross wages and do not require the deduction for total withholding allowances.

To simplify employers’ payroll operations and employees’ reporting of withheld amounts on their tax returns, the tax amounts on the wage bracket tables are rounded to whole dollar amounts. When employees have wages in excess of the last wage bracket amount in the table, the appropriate percentage method table can be used to figure withholding. Other withholding methods described in Publication 15-A, Employer’s Supplemental Tax Guide, may also be used.

**Social Security Tax Wage Base**

For 2008, the wage base for withholding social security (old age, survivors, and disability insurance) is \$102,000. There is no wage base limit for Medicare (hospital insurance). For social security, the tax rate is 6.2% each for employers and employees. For Medicare, the rate is 1.45% each for employers and employees.

**Advance Earned Income Credit Payment Tables**

The percentage method and wage bracket method tables for the advance earned income credit (EIC) are based on gross wages and do not require the deduction for withholding allowances. Advance EIC payments apply only to employees eligible for the credit. Eligibility requirements are shown on Form W-5, Earned Income Credit Advance Payment Certificate, which the employee gives the employer.

When employers use the percentage method advance EIC payment tables, the payment for the pay period may be rounded to the nearest dollar as described for the percentage method income tax withholding tables. The wage bracket advance EIC payment table amounts have been rounded to whole dollar amounts.

# Tables for Percentage Method of Withholding

(For Wages Paid in 2008)
